3.0 ASSESSMENT CRITERIA

The criteria listed below and in Schedule 1 represent 'good' practices for non-profit arts, culture and heritage organizations. Assessment will be based on the degree to which organizations meet the criteria, based on the information they provide.

All organizations are unique, and will be at different stages in their lifecycle; there is no expectation that an organization must be demonstrating exceptional performance in all areas in order to receive funding support. However, the assessment criteria provide an objective framework within which the organization's overall performance can be considered, and form the basis for constructive feedback to the organization.

Criteria are grouped into five (5) categories:

- Program objectives (15%)
- Strategic Investments (30%)
- Vitality (10%)
- Capacity (35%)
- Connections (10%)

Detailed criteria for each category are listed in Schedule 1 of these Guidelines.

4.0 ASSESSMENT OF APPLICATIONS

4.1 *Review Process:*

4.1.1 *Independent Evaluation:*

Applications in this program are adjudicated by a Cultural Grant Panel of peer and community representatives.

Panelists are selected to participate based on their experience, merit and familiarity with grantmaking practice and the local arts, culture and heritage community. To the extent possible, the panel will reflect the diversity of the community at large and the range of disciplines and activities in the list of applicants.

Panelists who have a real or perceived conflict of interest regarding any application will be required to declare that such a conflict exists and will not participate in discussions or decisions relating to that application.

Cultural Services staff will be present as observers during the adjudication process and to provide clarity on the General Operating program objectives and requirements as needed.

The Cultural Grant Panel will, within 60 days of the application deadline, provide its recommendations to City staff for final approval by the Divisional Director of Active Living and Culture.

4.1.2 Staff Review:

Some applications will be diverted into a streamlined process. Returning applicants requesting a General Operating Grant of \$5,000 or less and are not requesting an increase from the prior year funding, will be reviewed by Cultural Services staff. Any application could be moved to Independent Evaluation at the discretion of the Cultural Services Manager. The results of the staff review will be forwarded to the Divisional Director of Active Living and Culture for final approval.

4.2 Interview:

Following completion of the review process, applicants will be contacted to discuss the evaluation, build understanding about how the organization will address any concerns arising, and engage in a broader dialogue about the organization.

4.3 Notification and Distribution:

All applicants will receive an email confirmation detailing the outcome of their application, terms and conditions, feedback or follow-up items. Successful applicants will receive payment following notification.

4.4 Request for Clarification/Request for Reconsideration

Applicants who do not agree with a funding decision may request further clarification from staff. If still in disagreement after clarification is provided, applicants may make a formal request for reconsideration by the Divisional Director of Active Living and Culture, within 14 days of email confirmation. In the event of a formal request for reconsideration, the City may delay distribution of some or all of the funds in this program until all of the funding decisions have been resolved.

4.5 Organization Development:

Feedback from the Grant Panel and/or City staff may include recommendations for improvement to the organization's program delivery, organizational effectiveness or community engagement and impact.

Organizations returning to the General Operating Program in subsequent years will be required to demonstrate how they have responded to the feedback and worked to make the necessary improvements. This information is part of the Final Report.

Lack of or an insufficient response will be considered in future applications and may result in a reduction or withdrawal of support, or the imposition of conditions for future program eligibility.

4.6 Final Report:

Successful applicants will provide a final report in a prescribed format to the Cultural Services Branch. Receipt of this report is a pre-condition for future eligibility in any City of Kelowna grant program. Final Reports will be considered part of assessment of any future applications by the organization.

Applicants will be required to provide 3 high-quality photographs with the final report. These images must be accompanied by photo release waivers from both the photographer and people in the photographs, giving the photo rights to the City of Kelowna which allows the City to use them in future promotional materials.

***IMPORTANT NOTE:** The 2024 Final Report and 2025 Application will be contained within the same application and due December 2, 2024. Organizations will be required to submit their Final Report for 2024 before the 2025 Application will be accessible to them. This process is intended to alleviate the entry of duplicate information between the reporting and application process.

A typical timeline appears in the table below. The timeline is subject to change.
