Pre-Authorized Withdrawal System^{PAWS}

The City of Kelowna offers a plan for you to prepay next year's property taxes in installments by automatic monthly withdrawal from your bank account.

How PAWS works

All outstanding property taxes must be paid in full prior to joining the plan.

Monthly payments will be withdrawn from your bank account on the 10th day of each month starting in July and ending in May. No withdrawal is taken from your bank account in June.

Your monthly payment amount is an estimate based on 1/12 of your last year's net tax payable. The amount of your regular monthly payment for the year will be included on your annual tax notice. The prepayments for the year will begin on July 10.

Interest earned

Interest is earned on the payments applied to your property taxes each month starting July 10. This interest is credited to your property tax account. Simple interest will be paid on your prepayments at the Royal Bank prime rate less three per cent (minimum 0.4 per cent). Interest is considered a tax discount by Canada Revenue Agency and is tax free.

Final Payment

You are responsible to make the final payment and, if eligible, claim the Home Owner Grant on time to avoid penalties. Your annual tax notice issued by end of May each year, will show your current year's taxes less the total prepayments and interest earned.
