CITY OF KELOWNA ACTIVE LIVING & CULTURE DIVISION

CORE PRINCIPLES:

The City of Kelowna's Active Living & Culture Division administers a number of grant programs and services for the community which:

- Encourage active healthy lifestyles.
- Build strong neighbourhoods.
- Nurture lifelong participation in sport.
- Enhance cultural vibrancy.
- Facilitate development of events.
- Enhance social sustainability.
- Support effective management and operation of sport, recreation and cultural facilities.

Residents seeking funding support from the City of Kelowna through any of the grant programs administered by the Active Living & Culture Division should be aware of and aligned with one or more of these core principles.

VALUES:

Residents supported by the City of Kelowna will commit to the following values:

- Accessibility, diversity and inclusion: residents will not unreasonably exclude anyone by reason of religion, ethnicity, gender, age, sexual orientation, language, income.
- Accountability and fiscal responsibility: using resources effectively and efficiently.
- Innovation: being leaders in finding new solutions.
- Optimizing value: generating more value and impact from existing resources.
- Partnerships and collaboration: working with others to leverage energy, talent and resources.

STRONG NEIGHBOURHOOD GRANT GUIDING PRINCIPLES:

The Strong Neighbourhood Grant is guided by the following principles:

- Small is powerful: micro-grants have the potential to spark the community to come together to build connected, vibrant, sustainable, resilient and safe neighbourhoods.
- Everyone has something to contribute: whether it be gifts of the heart, hands, or head, everyone has something to contribute to help build a strong community.
- Connection and engagement foster neighbourhood attachment: Neighbourhoods with strong connections and engagement have a greater sense of attachment to the neighbourhood.
- Residents know their neighbourhood best: magic happens when residents who are inspired, involved and empowered connect and contribute to the community in which they live in.

1.0 NEIGHBOURHOOD GRANT PROGRAM DESCRIPTION, OBJECTIVES & ELIGIBILITY

1.1 *What is the Strong Neighbourhood Grant?*

Through matching grants of up to \$1,500, the Strong Neighbourhood Grant supports activities that: socially connect neighbours; enhance the neighbourhood through placemaking projects; or involve neighbours sharing skills or talents with each other. Projects and initiatives must be planned, implemented and managed by and for the neighbourhood. Successful applicants match their requested grant amount with contributions of volunteer labour and services, donated materials, and/or cash.

1.2 *Objectives:*

Great cities are made up of strong neighbourhoods. In turn, it takes citizens that are inspired, involved, connected and empowered to create strong neighbourhoods.

The focus of the Strong Neighbourhoods Program is on fostering connection and engagement at the neighbourhood level. One of the best practices in this area is the establishment of micro-grant programs that empower residents to contribute to community.

This program aims to provide assistance to residents at the neighbourhood level for the purpose of:

- Stimulating small-scale, resident-led, neighbourhood-based projects and initiatives that build community and enhance quality of life.
- Inspiring residents to connect and build relationships with their neighbours.
- Harnessing local experience and expertise in neighbourhood-based initiatives.
- Encouraging resident involvement in making their neighbourhoods better places to live.
- Promoting neighbourhood-based solutions to everyday concerns.

1.3 *Applicant profile:*

Applicants must live within the City of Kelowna boundaries with the focus of connecting and engaging neighbours where they live. Applicants must have two other neighbours from different households involved with the grant project.

For the purposes of the Neighbourhood Grant, *Neighbourhood* refers to the immediate area that surrounds someone's residence, as defined by each individual, typically within walking or biking distance. A floor or entire apartment/condominium building are also considered neighbourhoods within the Neighbourhood Grant program and groups of neighbours within these buildings are welcome to apply.

1.4 *Applicant eligibility:*

Any group of three or more neighbours from separate households with an idea for a small-scale project or initiative that is inclusive and brings neighbours together is eligible to apply.

The project must be neighbourhood-based (not city wide) and must be completed within the calendar year of the grant being awarded.

To participate in this program, the applicant must:

- Live within the geographic boundaries of Kelowna.
- Live within the neighbourhood of the proposed community project or initiative.
- Identify a working group including a minimum of two additional neighbours from separate households.

1.5 **Eligible activities and expenses:**

Neighbourhood **projects** are eligible for up to **\$1,500** in matching grant funds. Some ideas include:

- Creating a neighbourhood garden
- Enhancing an alleyway
- Painting a mural
- Creating a story walk
- Building a little free library
- Leading a cooking lesson

Neighbourhood **events and celebrations** are eligible for up to **\$500** in matching grant funds. Some ideas include:

- Organizing a block party with performers and activities
- Organizing a neighbourhood festival
- Organizing a talent show, porch concert or movie night

This grant supports:

- Equipment rental.
- Promotional material and translation services.
- Equipment, materials and other items that will be accessible and used by the neighbourhood. The use of these items are not to be restricted for use only by the applicant or project working group.
- Contractor service payments for performers and other service providers.
 - Honorarium payments in recognition of a volunteers' contribution of skill, knowledge or expertise to the project. A maximum of \$200 per person may be given as an honorarium.
 - Contractor service payments and honoraria cannot be paid to family members or project working group members. No more than 50% of the grant can be allocated to contractor service payments or honoraria.
- Food costs are not to exceed more than 50% of the total grant request. Exceptions will be considered for projects focused on skill sharing specific to food preparation and preservation.

1.6 **Ineligible activities and expenses:**

Applications whose mandates, operations and activities are not consistent with the program objectives, guiding principles and/or eligibility requirements are not eligible for funding.

This grant does not support:

- Ongoing operating costs.
- Ideas that are not neighbourhood-based.
- Projects or activities put on by for-profit businesses.
- Retroactive projects and expenses.
- Any item that will revert to private ownership.
- Travel expenses.
- Trade shows or commercial/business activity.
- Fundraising activities and/or donations.
- Projects which already receive financial support from other City of Kelowna sources.
- Activities focused on politics or religion.

- Block parties where funds are used exclusively for food, drink and/or prizes.

2.0 APPLICATION PROCESS

Applications are to be completed on the City of Kelowna Survey Monkey Apply site at <https://cityofkelownagrants.smapply.ca/>. If you are having difficulties accessing the Survey Monkey Apply Site, please contact Strong Neighbourhoods at neighbourhoods@kelowna.ca.

Applicants will complete an eligibility screening on the Survey Monkey Apply site prior to moving onto the official application.

The application must:

- Describe the project or activity and how it will enhance living in the neighbourhood and/or enhance connections among neighbours.
- Explain how the project will enhance one or more drivers of neighbourhood attachment: aesthetics, leadership, safety, social offerings or relationships.
- Describe how the project will foster neighbour participation and connection.
- Share details of when and where the project will take place.
- Include a project budget with quotes.
- Provide a description of the plan to meet matching grant requirement by means of volunteer hours (valued at current BC minimum wage rate), monetary donations from businesses or community members, and other in-kind contributions.

Further considerations:

- Projects must comply with City of Kelowna bylaws.
- Insurance and applicable permits are the responsibility of the applicant.
- If the project is to take place within a Strata, a letter of approval from the Strata must accompany the grant application. Please note, in some cases a $\frac{3}{4}$ owner approved vote is needed to make physical changes to strata common property.

Residents considering submission of an application are encouraged to do the following:

- Review the complete guidelines.
- Contact staff to discuss eligibility for this program or to obtain more information.

Submission of an application does not guarantee funding. Obtaining a grant is a competitive process and demand often exceeds available resources.

3.0 ASSESSMENT CRITERIA

All projects are unique; there is no expectation that a resident group must demonstrate exceptional performance in all areas in order to receive funding support. The assessment criteria provides an objective framework within which the project's feasibility and impact can be considered and form the basis for constructive feedback to the applicant.

Applications will be considered based on the benefit the project brings to their neighbourhood, and the City, through the following categories:

- Neighbourhood connection, participation and impact.
- Sharing of skills and knowledge.
- Feasibility of the project.
- Sustainability of the project.

Please note:

- Applicants who meet the above criteria and have not previously received grant funds will be given priority.
- Applicants will be limited to one Strong Neighbourhood Grant per twelve-month period.
- Applicants cannot apply for recurring funding for a project that has already been supported by the Strong Neighbourhoods Program.

3.1 Drivers of Neighbourhood Attachment

The project or activity must enhance at least one of the five following drivers of neighbourhood attachment: aesthetics, leadership, safety, social offerings and/or relationships.

Focus Area	Objective
Aesthetics	Enhance the physical appearance, character, or natural environment of the neighbourhood. Examples: nectar trail, neighbourhood garden, mural, sidewalk art
Leadership	Encourage/involve multiple neighbours to participate in planning and/or implementing the project including opportunities for neighbours to share skills with each other. Examples: teaching neighbours how to cook, starting a knitting circle
Safety	Enhance safety of neighbourhood or among neighbours. Examples: Neighbourhood Evacuation Toolkit, AED training
Social Offerings	Provide opportunities for neighbours to gather and have fun. Examples: Holiday decorating along street, little free library/pantry, play box
Relationships	Create opportunities for neighbours to connect, especially neighbours that are new or have not previously interacted. Examples: neighbourhood concert, outdoor movie night, buddy bench

4.0 GRANT REVIEW AND NOTIFICATION PROCESS

4.1 *Staff Review:*

A grant review committee consisting of City staff from various departments will review all grant applications within 2 weeks of the grant application deadline.

4.2 *Notification and Distribution:*

Within four weeks of the application intake deadline, applicants will be notified of a decision on their application via email. Successful applicants will receive a letter of confirmation and next steps detailing any terms and conditions, feedback or follow-up items.

4.3 *Request for Clarification/Request for Reconsideration:*

Applicants who do not agree with a funding notification may request further clarification from staff, or if still in disagreement after clarification, may make a formal request for reconsideration by the Director of the Active Living & Culture Division. In the event of a formal request for reconsideration, the City may delay distribution of some or all the funds in this program until all the funding decisions have been resolved.

6.0 FINAL REPORTING

Successful applicants must provide a Final Report in a prescribed format to the Active Living & Culture Division which will be completed on the Survey Monkey Apply site <https://cityofkelownagrants.smapply.ca/>. Receipt of a completed report is a pre-condition for future eligibility in any City of Kelowna grant program. Final Reports may also be considered part of the assessment of any future applications by the organization.

Final Reports for Neighbourhood Grant projects must be submitted within 15 days of completion of the project, unless other arrangements are made with staff.

As the project concludes:

- Recipients will be required to complete and submit a short project evaluation form to provide details such as the project's impact on the neighbourhood.
